We need this information asap so we can order the food quantities appropriately. We hope to see you all there.

Have a great summer fishing and we'll see you all in September.

## Fly of the Month

### **Mike Jacob's Beady Eyed Leech**

**Hook:** Mustad 9672 size 8

**Thread:** Black 6/0

**Eye:** Silver or Gold 1/8" bead chain

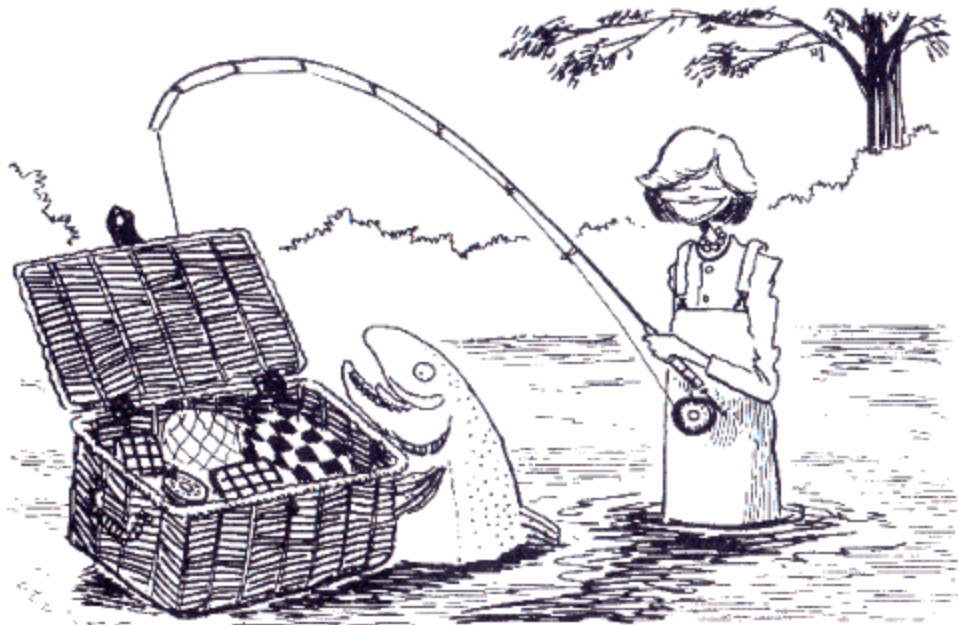

**Tail:** Marbou ( add 5-10 strands of red or gold flashabou if you wish)

**Body:** Angora or Mohair yarn: black, olive, purple, claret, blood red

**Hackle:** Hen Saddle or Chinese neck to match body

Begin by tying in the eye in figure 8 wraps. Add a drop of super glue or Zap a Gap to the eyes. Tie in the tail equal to the hook shank, ending your wraps behind the eyes. Move thread back to tie in point of the marabou and tie in the yarn. Move thread forward. Wrap yarn so that it is tight. Tie in a saddle hackle and make 2-3 turns. Finish head. That's it. This fly is nice for kids, beginner's and such, although don't let the ease of making this fly put you off. You make them longer or shorter if you wish in sizes 6 or 10. Adding a wire is okay too. To make them really fuzzy, comb or rough them up using one of my popicle sticks vel-cro dubbing tools.

**Oh Lord no! Martha Stewart has a fly fishing show too!**
